Chapter 1 by Garlic Bread

I can never make sense of them. These dreams...what do they mean?

I had them for as long as I can remember. They were vivid and varied, but they always had a single thing in common.

A single shard of glass would appear before I awoke.

I talked to people about it and they couldn't understand it either, or they would give me some convoluted answer.

It tugs at my mind, I want to find the answer...no...I need to find the answer.

I just...I don't know what to do or where to go.

I just don't know.
